UZAIR AI STUDIO

LETTER OF RECOMMENDATION

September 30, 2026

To Whom It May Concern,

This letter is to formally acknowledge the successful completion of the Web Development Internship & Training Program by Baby Muskan at UZAIR AI STUDIO. The internship was conducted from 1 August 2026 to 30 September 2026, providing valuable practical experience in a professional development environment.

During the internship, Muskan Javed consistently demonstrated professionalism, dedication, responsibility, and a strong willingness to learn. She showed the ability to adapt to new technologies, work collaboratively, solve problems effectively, and complete assigned tasks responsibly.

Her enthusiasm, punctuality, and commitment contributed positively to our projects and reflected strong potential for future academic and professional success.

We are confident that the knowledge and hands-on experience gained at UZAIR AI STUDIO will serve as a strong foundation for his future endeavors. We highly recommend Baby Muskan for further educational and professional opportunities.
